Sir:

This amendment is in response to the Notice to Comply with Sequence Listing Requirements mailed June 11, 1999.

In compliance with the requirements of 37 C.F.R. §§ 1.821-1.825, attached to this response are copies of a Sequence Listing in paper and computer-readable forms listing the nucleotide sequences disclosed in the application, and a statement that the content of the paper and computer-readable forms of the Sequence Listing are the same.

Please amend the application as follows:
